About the Program

With the war on terror, Operation Iraqi Freedom and other possible world trouble spots demanding the commitment of American military power, deployments of active, reserve and National Guard units could reach levels not seen in decades. While the military's JAG officers are currently handling the legal questions and concerns of those deployed, future deployments could overwhelm the capabilities of the system.

At the conclusion of the program you will be given the opportunity to complete the Pennsylvania or Philadelphia Bar Association's Military Assistance Program Volunteer Attorney Application. Please bring a copy of the declarations page from your professional liability insurance policy and policy number.
