“Marketing Yourself From the Inside Out: Show Your Professionalism, Know Your Talents and Promote Your Legal Skills”

In today's economy it's especially important that women know how to promote themselves with confidence and take credit for outstanding accomplishments. This program will cover a range of topics designed to help you build your reputation by improving your skills and enhancing the reputation of the legal profession. Panelists will share advice on mastering legal skills, writing and teaching, community involvement, mentoring or self-promotion for legal professionals in all practice areas (contracts, family law, litigation etc.), and employment sectors (i.e. government, law firm, corporation, non-profit etc.) regardless of the number of years of legal experience.

The program is being sponsored by the PBA's Commission on Women in the Profession at no cost to the attendees. However, we are offering as an option, a chance to earn 2.0 hours of Ethics CLE credits for the program. Don't need ethics credit? No problem! This program fulfills two “wild card” credits that can be applied either as ethics credits or substantive credits toward your overall 12-credit CLE requirement. If you chose the option to earn the CLE credits the cost will be \$50.00.
