

Celebrate Law Day 2008 by visiting a school!

Teaching kids about their legal rights and responsibilities is what this year's Law Day program is all about. The theme for Pennsylvania's celebration is "Growing Strong Citizens." What better way is there to start growing strong citizens than by making a difference in the life of a young citizen? By visiting a classroom, you can provide children of all ages with the opportunity to explore the ways in which they can have an impact on our world.

Volunteer to visit a school during the month of May and share your knowledge of the law with students. The Pennsylvania Bar Association, with the generous support of the Pennsylvania Bar Foundation, has prepared a free, easy-to-use lesson plan guide covering all grade levels to help with your visit.
