The Martin Luther King, Jr. Program

Established in 1991 to promote cultural and ethnic diversity in legal services and to honor Dr. King, the MLK Program offers summer internships throughout the PA Legal Aid Network for rising second and third year law students. The Program was enhanced in 2003 by adding two-year Fellowships by which minority attorneys, new to practice, are hired by a sponsoring regional or specialty program and receive loan repayment assistance. The program is an integral part of our goal to initiate new lawyers to a commitment of providing access to justice for all individuals who have nowhere else to turn.
