

## BEAVER COUNTY PRO BONO OPTIONS, February 2010

### A. Bar Association Pro Bono Programs

The Bar works its Pro Bono activities through the local legal services program.

### B. Other Local Pro Bono Options

#### 1. Neighborhood Legal Services Association

Neighborhood Legal Services Association is a private, non-profit Pennsylvania corporation established to provide free legal services in civil cases to low income people. The program's mission is to meet the civil legal needs of the poor and vulnerable individuals by securing the rights and obtaining the benefits to which they are entitled. Program services include telephone advice, clinics, referrals, community education, representation before administrative bodies and representation in court.

NLSA provides reduced fee referrals to private bar participants in the areas of custody, support and bankruptcy. Some pro bono assistance is available for a limited number of cases. We are working on getting some IOLTA funding for a joint bar association/legal services project.
