ABOUT US

Legal Aid of Southeastern Pennsylvania (LASP) is a private, non-profit corporation committed to delivering high quality free civil legal services to low income people, victims of domestic abuse and seniors living in Bucks, Montgomery, Chester and Delaware Counties.

The Chester County Division is located in West Chester where we employ four highly experienced staff attorneys, one office manager and a secretary. In an effort to better serve the legal needs of low-income Chester County residents, we also hold legal clinics monthly in Kennett Square, Coatesville, Phoenixville and Exton.

The legal services provided to our clients include landlord/tenant, public housing, consumer problems including foreclosures and sheriffs' sales, bankruptcy, denial or termination of government benefits such as welfare, Social Security and unemployment compensation, protection from abuse, custody, divorce, expungements and elder law issues.

PRO BONO OPPORTUNITIES

Albert Einstein said, “In matters of truth and justice, there is no difference between large and small problems, for issues concerning the treatment of people are all the same”. This is the reason organizations like LASP exist but we cannot do it alone. Because we seek to help all who are eligible for our services, there are many times that we enlist the help of attorneys who are willing to volunteer their services through our pro bono program. Our office regularly turns to our pro bono attorneys
to handle protection from abuse, custody, divorce, expungements, bankruptcy, unemployment compensation cases and simple wills. To that end, we are always in need of pro bono volunteers. If you have questions or are interested in volunteering please contact the Chester County Pro Bono Coordinator, Christine Zaccarelli, Esquire at czaccarelli@lasp.org or 610-436-4510. If you are not currently volunteering, please give serious consideration to doing so. Your services would be greatly appreciated by both LASP and our clients.
