

Westmoreland County Landlord / Tenant Mediation Program

Are you involved in a landlord/tenant dispute? Have you considered mediation? Some of the benefits of mediation are:

- Unbiased mediators are trained to assist both sides throughout the agreement-making process.
- The outcome is determined by the people who have the problem.
- It can save you the cost of legal fees.
- Mediation can help you reach a resolution of your problem that is agreeable to all those involved.
- Mediation can save you the time required by court scheduling because there is no need to go to court!
- Mediation allows you to preserve business and personal relationships with others involved.
- And best of all...There is no pressure to accept solutions that are not acceptable to everyone involved!
