

WOULD YOU LIKE THREE BALC LUNCH & LEARN SEMINARS FOR FREE?

Of course you would! Here's How to Get Your 3 Free CLEs

Partnering with North Penn Legal Services

The Bar Association of Lehigh County is Proud to Announce its

Pro Bono Recruitment Program

January 2011

Contrary to popular opinion, many pro bono cases are **not** a huge time commitment. Former Pennsylvania Bar Association President, Andy Susko, has pushed at bar meetings that all attorneys have at least one pro bono case in their caseload, and if that happened, the members of the Lehigh County Bar could provide, with one case that takes three hours, the equivalent of a years work for one full time staff attorney at North Penn Legal Services. Often thirty minutes on the phone provides meaningful and effective service.

We need your help to ensure that those who need access to justice get access to justice!

The CLE department of The Bar Association of Lehigh County would like to give any attorney who would commit to taking on one case in a years time **3 Lunch & Learn** seminars of their choice as a thank you for helping those less fortunate than ourselves.

North Penn Legal Services will refer low-income clients to the pro bono attorney based on areas that have been selected by the attorney. There are many needs in our community – from family law, future care planning, mortgage foreclosure, consumer protection, employment rights, income maintenance and much more. Even if these areas are not normally your area of expertise, North Penn Attorneys will offer their help and support to ease you through the process.

We hope everyone will step up to the plate and take part with this public service.
