

Environmental Law Lifetime Achievement Award

Each year the Pennsylvania Bar Association's Environmental and Energy Law Section presents the Environmental Law Lifetime Achievement Award to a deserving recipient or recipients during the annual Environmental Law Forum (ELF). In addition to honoring contributions made to the section and/or the PBA, the award may also be given in recognition of efforts that enhance the development, improvement and furtherance of the practice of environmental law, generally benefit the community as the result of such efforts or represent outstanding personal achievement.

The award has been presented since 1994. Here is the complete list of those honored to date:

- 1994 - Francis Kury
- 1995 - Joanne Denworth
- 1996 - Maxine Woelfling
