

WHAT IS AMTI?

The American Mock Trial Invitational (AMTI) was established in May of 2006 by the New Jersey State Bar Foundation and the North Carolina Advocates for Justice in order to permit high school state mock trial champions with weekend religious obligations to compete in a national forum. In 2009 AMTI will take place at the Middlesex County Courthouse in New Brunswick, NJ, Sunday evening, May 17 through Tuesday afternoon, May 19.

WHY ATTEND?

Why should state champions compete in the 2009 AMTI? The invitational is the only nationwide mock trial competition that permits **more than one team to represent each state—as many as three of a state's top six high school championship teams are eligible to participate.** A team consists of 7 to 10 students.

All contestants will receive certificates, suitable for documentation for college applications, acknowledging their participation.

In addition, AMTI does not interfere with weekend religious observance or proms, AP exams or Mother's Day. Contestants will have the opportunity

to try a challenging case, enjoy a private dinner at and tour of the inspiring Ellis Island Immigration Museum in New York Harbor and stay at a fine hotel in New Brunswick, a vibrant college town with many cultural and culinary venues less than an hour from New York City.

HOW MUCH IS THE REGISTRATION FEE?

The cost to register each team is **\$200. This includes complimentary:**

- continental breakfasts for teams, coaches and guests on May 18 and 19;
- buffet lunches for teams, coaches and guests on May 18 and 19;
- orientation dinner for teams and coaches on May 17 (guests may purchase tickets);
- private dinner and tour of Ellis Island for teams and coaches (guests may purchase tickets) on May 18;
- bus transportation from the hotel to the orientation dinner and Ellis Island on May 17 and 18;
- AMTI souvenirs for team members and coaches; and
- trial practice rooms for scrimmages on May 17.
