The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere, or its equivalent, shall not of itself create a presumption that the person did not act in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the Foundation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

6.4 Determination of Entitlement to Indemnification. Unless ordered by a court, any indemnification under Sections 6.1 or 6.2 shall be made by the Foundation only as authorized in the specific case upon determination that indemnification of the representative is proper in the circumstances because he or she has met the applicable standard of conduct set forth in those sections. The determination shall be made:

9.2 **Severability.** The provisions of these Bylaws are independent of and separable from each other, and no provision shall be affected or rendered invalid or unenforceable by virtue of the fact that for any reason any other or others of them may be invalid or unenforceable in whole or in part.
