Join President Kathleen D. Wilkinson for this unique program to celebrate International Women's Day, a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. To celebrate this important day in 2022, hear from a diverse panel of trailblazing women lawyers and judges from within Pennsylvania and beyond who have each paved the way for so many others on their road to the pinnacle of success in their respective spheres.

There is no charge for this program, and it is open to members and non-members.
