Nationally acclaimed “powerhouse attorney” Kristen Gibbons Feden, Esq. will speak at the PBA Commission on Women in the Profession (WIP) Spring Conference Webcast on March 30 from 3-5 p.m.

Kristen is one of the nation’s leading sexual abuse and civil rights litigators and is renowned for her passionate defense of abuse survivors. Prior to private practice, she was a lead prosecutor in Montgomery County in the case against Bill Cosby, a case that brought significant attention.

During this virtual gathering, Kristen recounts her experiences and takeaways from the Cosby trials and then joins WIP Co-chair Jennifer Coatsworth for a moderated question and answer session.

Kristen discusses:
• The Cosby case and the Supreme Court of Pennsylvania’s decision to overturn his conviction;
• Insight into the challenges in prosecuting this case and cases like it;
• The cultural context in which the case presented itself.
