Join us for a social mixer and a general overview of the stormwater regulatory policy as it relates to land development with a focus on current issues and trends. Speakers will also address the MS4 program and discuss the municipalities obligations under the MS4 program relative to public and private stormwater facilities. Discussion will also include the Environmental Rights Amendment and issues related to the municipal approval process.

Light hors d'oeuvres and drinks will be served.

There is no charge to attend, but registration is required.

Register online [HERE](#). The deadline to register is Feb. 26.
