

The PBA Family Law Section Eric Turner Memorial Award

The PBA Family Law Section instituted the Eric Turner Memorial Award as a way to honor the memory of one of the finest family law practitioners and members of the section whose life ended all too early. Eric Turner personified everything that a good family law practitioner aspired to be. He was friend and mentor to those just entering the profession as well as to veteran practitioners. The award is presented, not necessarily annually, to a practitioner who has maintained the same high principles that Eric did. As part of the award, the section makes a donation in the awardee's name to a charity of the awardee's choosing.
